

TVCC IS OPEN

In accordance with Governor Brown's Executive Order, TVCC is prohibited from conducting in-person classroom, laboratory, and other in-person instruction from March 21, through April 28, 2020. However, the college is open with limited on-campus operations and services. For the latest information on college operations during the COVID-19 situation, please go to www.tvcc.cc

TVCC COVID-19 UPDATE

March 20, 2020

To all Students, Employees and Community Members:

We are continuing to work toward ensuring all classes that cannot be offered live are ready to be delivered virtually. Faculty are working hard to make sure curriculum is "virtual ready" and our IT Department has tirelessly worked to ensure we have the technology and know-how to move forward.

Don't forget that TVCC is offering some great classes during spring term - Yoga, Zumba, Intro to Computers, Business Communications, SQL, Nutrition, Shakespeare, and many more! Just because travel plans and get-togethers may have been postponed, your mind is never cancelled! You know we love that eternal optimist Dr. Seuss and he once said "The more that you read, the more things you will know. The more that you learn, the more places you'll go." We have even developed a new class called Lifetime Fitness, which will help you maintain your fitness and nutrition goals while at home. So, if you are feeling "cooped" up, (yes, that's a Chukar joke!), check out all our offerings at https://www.tvcc.cc/academics/courses_registration/class_schedule.cfm

Students will still be able to obtain counseling services through Insight Counseling and Therapy, our mental health partner. Insight has arranged for tele-therapy. A consent form is on the website at <https://www.tvcc.cc/news/teletherapyservices.cfm> and forms will be available in the Barber Hall 102 computer lab. Students should call (208) 405-0020 or email Insight at insight83661@gmail.com. You will have the option of sending the signed consent form via text or email. Initial counseling services will continue to be FREE to students.

We know you have questions and to address them we have created FAQs for Students and FAQs for Employees. They were sent directly to the students and employees and are also posted on the website. You can find them at https://www.tvcc.cc/media/documents/covid19/faqs_students.pdf and https://www.tvcc.cc/media/documents/covid19/faqs_employees.pdf.

Reminder: Only "critical functions" are going to be permitted on campus until at least April 28. As such, the College will close some facilities on campus.

To ensure our students are served and other critical functions are completed, the following buildings will be open:

BUILDING	HOURS OF OPERATION
Student Services	8 a.m. to 5 p.m. Monday - Thursday 9 a.m. to 5 p.m. Friday

Barber Hall 102 – Computer Lab with Eight (8) Computers	7 a.m. to 5 p.m. Monday - Friday
Weese (Library and Computer Lab with Five (5) Computers)	8 a.m. to 5 p.m. Monday - Friday
Weese (Dining Hall)	OPEN TO RESIDENCE HALL STUDENTS ONLY
Residence Hall	OPEN TO RESIDENCE HALL STUDENTS ONLY. Visits from parents/siblings only. Absolutely NO overnight guests
Nursing Tech Lab	Closed Spring Break Open March 31, 2020 – June 12, 2020 for nursing students and faculty and nursing department staff only
Livestock Facility	Open to College students boarding animals at the facility and Livestock Center Manager only
Caldwell Center	Open Monday – Friday 8 a.m. to 5 p.m.

All events, such as concerts and social gatherings, have been cancelled or postponed. In addition to the previous list of closures, the ACLU visit scheduled for April 7 and the TVCC Classified Easter Egg Hunt scheduled for April 11 are cancelled and all ESL classes are postponed.

The “critical function” only rule begins tomorrow. Monday will feel very different on campus. Stay strong, stay focused. We will definitely see you again on the flip side.
