

Free Financial Literacy Workshop!!!

Zombies have taken over the financial world and require regular payments if you and your credit score are to stay in one piece.

Through an innovative and engaging iOS app students will gain a greater understanding of the impact of their financial decisions on savings and credit scores which include making payments on time, keeping balances low, understanding differences between lenders and preparing for financial emergencies.

Wednesday, April 10th, 2019

12:00 to 1:30 PM

Caldwell Campus, Rm 317

TREASURE VALLEY
